NCC Members Benefit Scheme

Unlock opportunities - Strengthen connections - Grow together

Newham Chamber of Commerce is excited to launch our **NCC Members Benefit Scheme** - an exclusive group created to help your business thrive through collaboration, support and shared value.

Free to join for both existing and new NCC members, the scheme allows you to offer and receive benefits directly with other Chamber members. From exclusive discounts and special rates to group procurement opportunities and other forms of collaboration, the **NCC Members Benefit Scheme** enables businesses to help each other.

"The NCC Members Benefit Scheme embodies everything the Chamber stands for - partnership opportunities, business growth and a forum for mutual support. When our members succeed together, our whole community prospers."

Matt Fawcett, Chair of Newham Chamber of Commerce

As part of the NCC Members Benefit Scheme, you could:

- Offer exclusive discounts and deals on your products or services to other members of the scheme
- Access exclusive discounts and deals from other members of the scheme
- Take advantage of group procurement opportunities to save money and time
- Share skills and expertise with other members across the network
- Offer peer-to-peer mentoring to other scheme members, giving your business access to other sectors
- Gain access to a 'trusted supplier' list, built on positive testimonials
- Offer and deliver reciprocal professional training sessions
- Provide and receive professional support and advice
